

PETAL IT FORWARD

October was a very busy month. One of the highlights was a visit from Mayor Inman and Sue Bradford from Enchanted Florist. They gave every resident five beautiful roses. These were given in honor of the contributions they have made in this community throughout the years. Various members of our community joined in with the Enchanted Florist by making financial donations that went toward these thoughtful gifts.

Another highlight this month was when interested residents picked out pumpkins and then painted faces on them for Halloween decorations. As you can see, they turned out very cute.

Thanksgiving comes but once a year,
And yet the whole year round
The heart of love, the heart of cheer
Will make a joyful sound;
And we who keep Christ's loving way
Will have Thanksgiving every day.
