Amanda loves to fish, play soccer and frisbee, and to take hikes with her kids and grandkids. She enjoys picnics and going to the lake with the family. She loves nature and the outdoors and exploring all of it.

Amanda is also a workaholic. She has been employed since she was 15 years old and takes her jobs very seriously. She enjoys working at the Everly House and appreciates the residents and the staff that she works with.

Amanda also works for a towing company where she helps to process cars and other related tasks. She really likes that job as well. We here at Everly are very thankful to have Amanda working here. We appreciate her good work ethic and cheerful personality. She is a great addition to our Everly Family.

A fun highlight from last month was when we painted pumpkins for our craft project. As you can see, the pumpkins turned out very cute. They made great Halloween decorations for the Everly House and for our trick-or-treaters.
