

Employee: Linda Dorethy

Linda was born in Macomb. She met her husband, Wayne, for the first time at the Colchester Post Office. He was coming out and she was going in. They both stopped and looked at each other. There was an immediate connection. After that they had a few more chance meetings. One day while she was eating at Hardees he went through the drive through and was watching her through the window. When she left, she pulled up beside him and asked him, "Are we going to keep on like this or are we going to introduce ourselves?" Their first date was Monday, June 24th, they were married six months later, and have been married for 26 years. Between the two of them they have nine children, 25 grandchildren and six great grandchildren with another baby boy on the way. Needless to say she is blessed with a large family.

Linda has always loved cooking, and we know from experience that she is very good at it. She has worked at Everly House for about 17 years. Most of that time she was in the kitchen. Now she is working at the front desk as a receptionist.

We here at Every are very thankful for Linda and the positive contributions she has made to this facility throughout the years. It is great to have her back working here again.
