

Remembering Roger Nutter

Roger was a beloved friend to many of us here at Everly. It was very evident that Roger was a patriotic Veteran, a hard worker, highly respected, and dearly loved by his family. We are so sorry for their great loss and send loving thoughts and prayers their way.

We all have many fond memories of Roger. He would go out of his way to visit with the staff and make us feel appreciated. He was always willing to help out when he could. He gladly took on the responsibility of feeding the fish on the weekends and he'd help me carry ice cream when we went on our Friday drives. When we painted pumpkins he joined in and did a great job every time. I always enjoyed watching Roger go on walks around the town. He loved getting outside when the weather was good. But he wanted nothing to do with the cold; he'd worked out in it all his life.

One of my favorite memories was of Roger playing Wii Bowling. I was amazed at how good he was at it!

Roger was always a bright spot in my day. Like everyone else, I was so shocked and saddened when I heard the news that he had passed. I know that so many people will miss him very deeply. That same morning I stepped outside and looked up at the blue sky. All of a sudden, I just imagined him on his way to heaven. My heart filled with joy for the moment. I knew he was now free of all his health issues. He was now in the presence of his loving Heavenly Father and Savior. He is also reunited with his wonderful wife, and other family members who had passed on before him. Roger is now in the most beautiful and fun place we could ever imagine. He is not sad in any way; he is rejoicing! The sadness only lies in the hearts of those of us who will miss him. But we can find great comfort knowing that he is so blessed now and that one day we will see him again!

*As we celebrate this Easter season
we honor Jesus Christ.*

*Our beloved Savior gave His life to save us.
Now we too can ascend to the Father
just as He did on that glorious day!*
